

# My First WordPress Blog

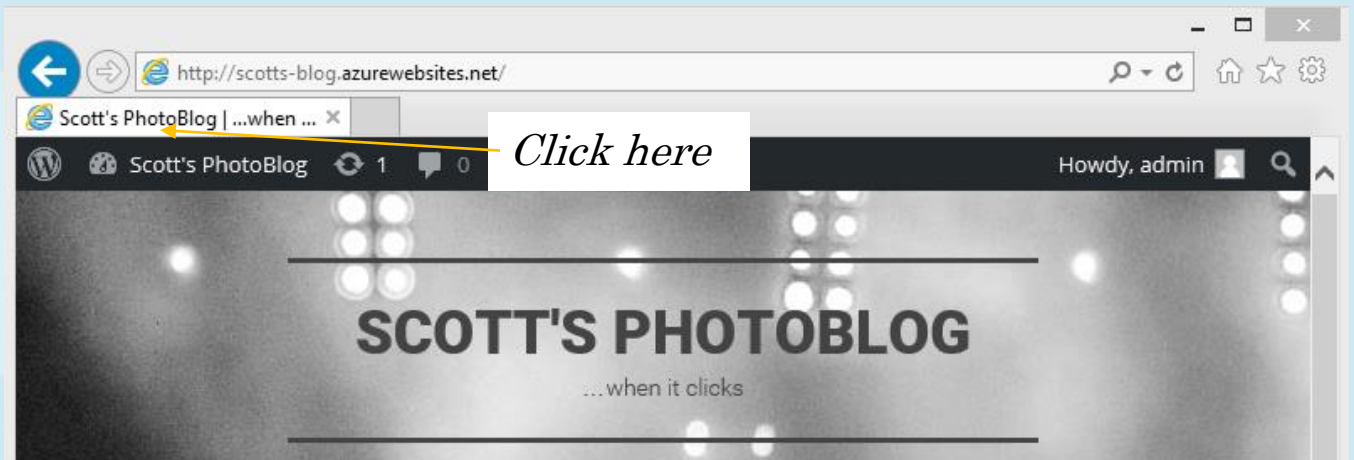

Create your First Blog

Card 1.d of 8

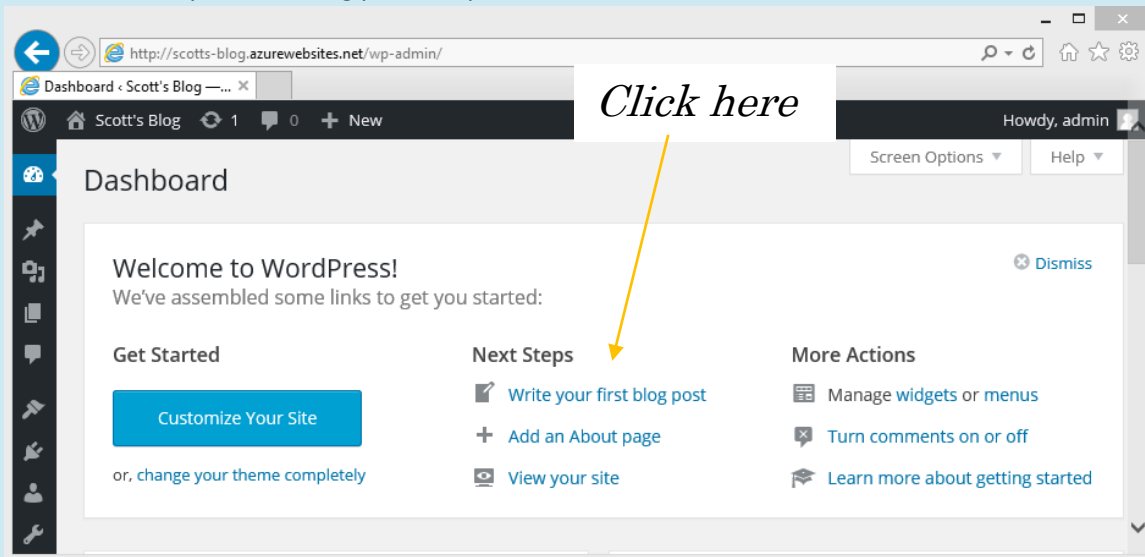

I am learning: [Creating WordPress Blog](#)

1. Go to <http://yourblogname.azurewebsites.net> and login. If you're not taken to the WordPress dashboard after logging in, locate the button in the upper left hand area of the page, hover over it and click Dashboard. You can also go to it directly:  
<http://yourblogname.azurewebsites.net/wp-admin>

2. Click Write your first blog post to open the editor
