

PASSWORDS

☐

All my passwords are long and don't use my username or the website name.

☐

I avoid re-using my passwords, and **never** reuse my email password.

☐

I have investigated password managers and two-factor authentication.

SHARING & SOCIAL MEDIA

☐

I always carefully consider what I'm sharing before I share it.

☐

I have set my privacy settings on all the websites I use, with adult help.

VIRUSES & MALWARE

☐

I have installed anti-virus software on my computer and it's on.

DO YOUR PART

☐

I treat everyone respectfully on the internet. I don't troll, spam or insult them.
