Get Access to DreamSpark – I Don't Have a Verification Token

1. Go to www.DreamSpark.com/Student and select Create Account

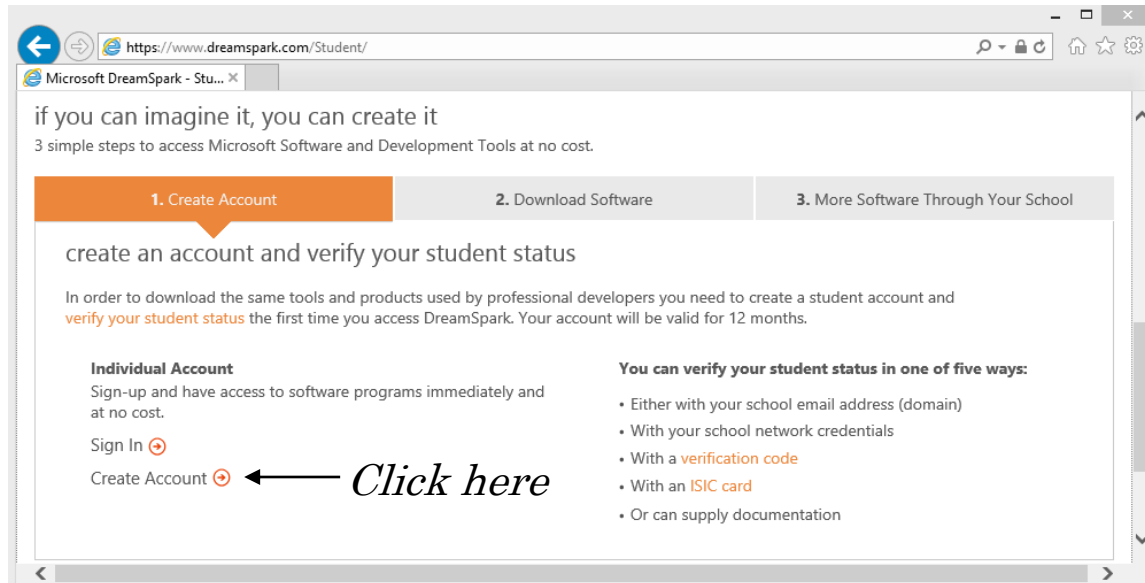

2. Sign-in with or create your Microsoft Account (eg: Hotmail, Outlook). On the Academic Verification page, select the best verification option for yourself, fill in the necessary data, and click Verify and then Continue.
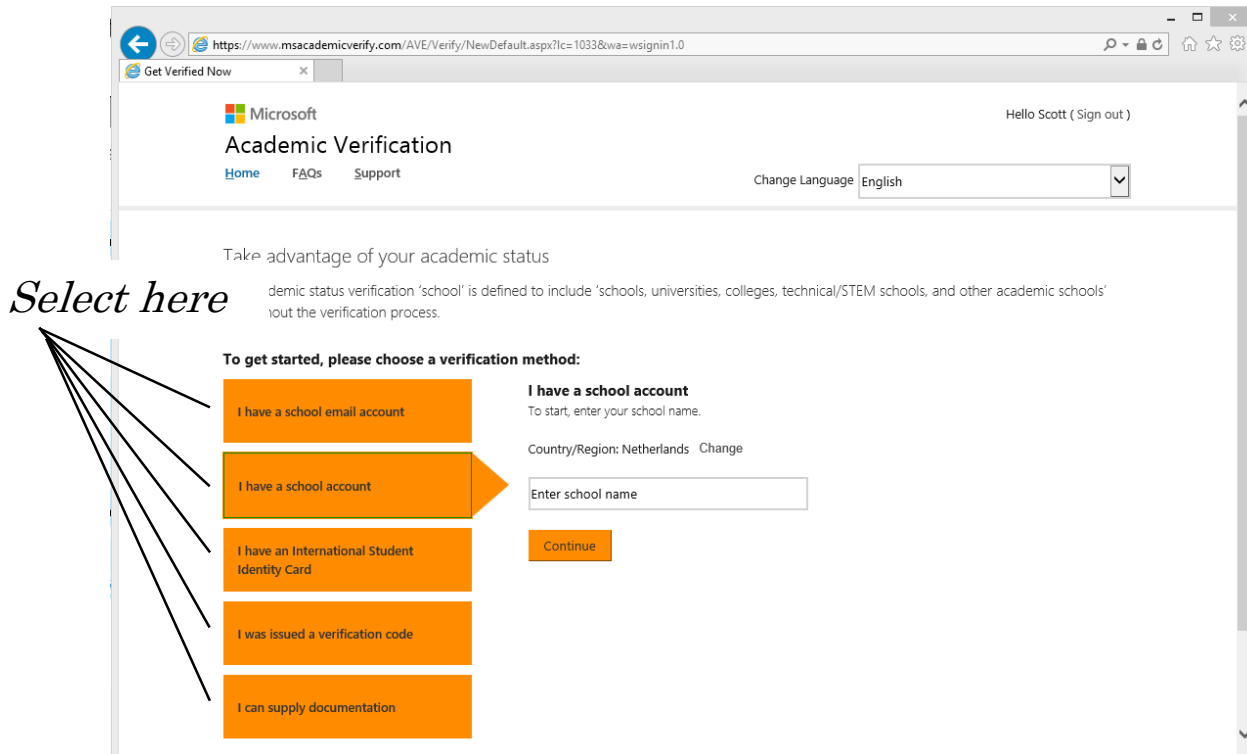

With your verified account you can now start downloading professional level software and tools for free! Also, you can enjoy DreamSpark benefits like free access to Windows Store and Windows Phone Dev Center, Azure, and student offers on the Microsoft Store online.

3. Go to www.dreamspark.com/Student/Software-Catalog.aspx and download the platforms and tools to help you create your next project with.
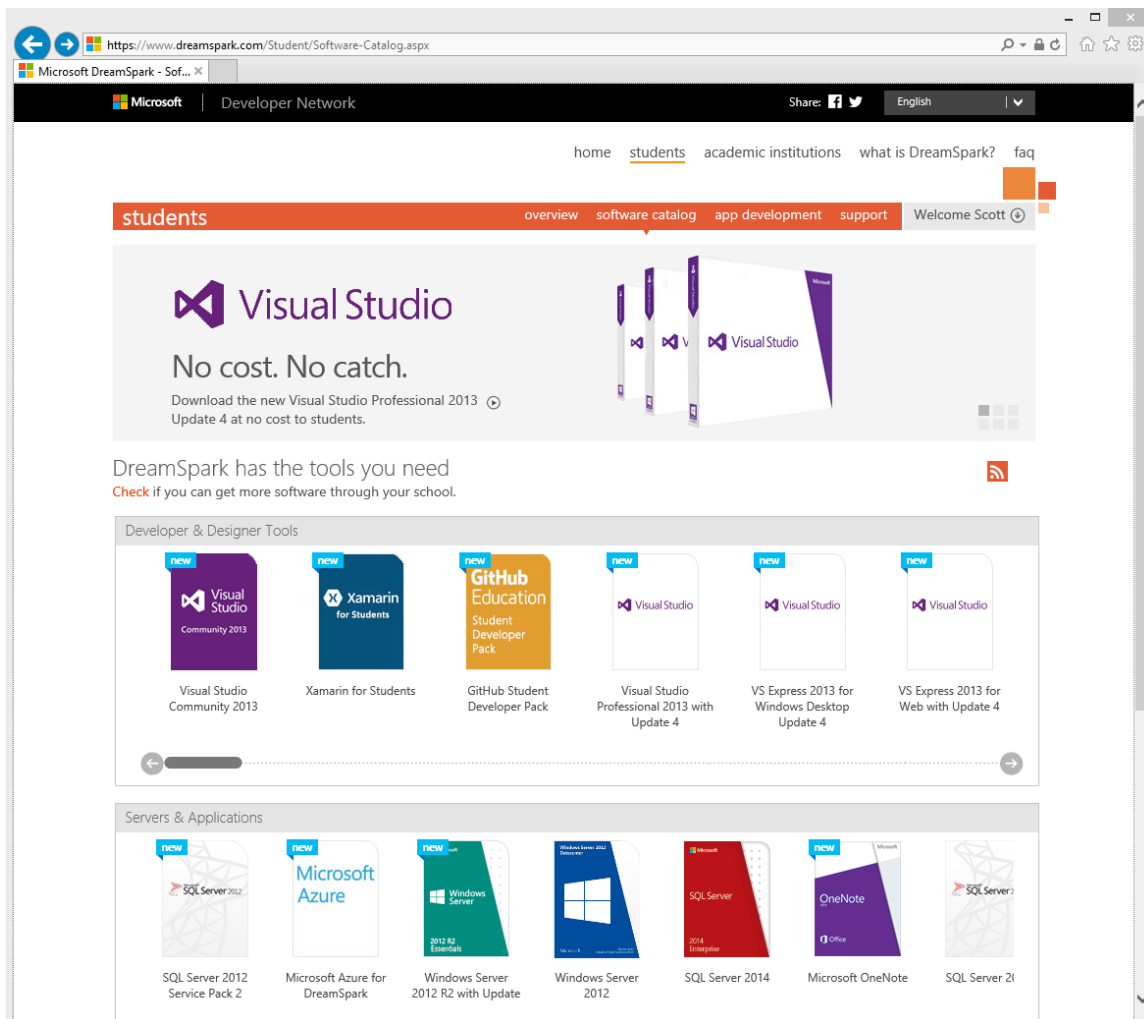

4. Get the most out of your membership and checkout these free course to help you learn more.
